Reviews

Absolutely one of the best pdf I actually have possibly read. Better then never, though i am quite late in start reading this one. I realized this book from my dad and i encouraged this ebook to discover.

(Ms. Beth Conroy V)

ENCYCLOPEDIA OF WAR

Dorling Kindersley Ltd. Paperback. Book Condition: new. BRAND NEW, Encyclopedia of War, Clear and compelling, The "Encyclopedia of War" documents every major war or significant period of conflict in over 5,000 years of human history. The history of warfare first emerges from legend in Mesopotamia, the cradle of civilization, around 3,000 years before the birth of Christ. From these first battles, war traces the campaigns and conflicts that have shaped world history and examines the evolution of military tactics and technology. This book includes the story of the development from these primitive battles to the global conflicts of the 20th century and the modern "War on Terror" reflects the same political, cultural, and technological forces that have defined human history. From longbows to laser-guided missiles; from chariots to jet aircraft; and from samurai warriors to SAS soldiers, war provides the definitive visual chronicle of this intense, brutal, and often heroic tale. Covering seven distinct periods of military history, delve into a wealth of features on weapons and technology, strategy and tactics, the experience of war, and history's fighting elites to recount the epic story of warfare and combat through the ages.
