

The Last Days of Richard III and the Fate of His DNA: The Book That Inspired the Dig

Filesize: 6.25 MB

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Last Days of Richard III and the Fate of His DNA: The Book That Inspired the Dig, John Ashdown-Hill, The Last Days of Richard III contains a new and uniquely detailed exploration of Richard's last 150 days. By deliberately avoiding the hindsight knowledge that he will lose the Battle of Bosworth Field, we discover a new Richard: no passive victim, awaiting defeat and death, but a king actively pursuing his own agenda. It also re-examines the aftermath of Bosworth: the treatment of Richard's body; his burial; and the construction of his tomb. And there is the fascinating story of why, and how, Richard III's family tree was traced until a relative was found, alive and well, in Canada. Now, with the discovery of Richard's skeleton at the Greyfriars Priory in Leicester, England, John Ashdown-Hill explains how his book inspired the dig and completes Richard III's fascinating story, giving details of how Richard died, and how the DNA link to a living relative of the king allowed the royal body to be identified.
