THE TRUTH, THE SOUL TRUTH, AND NOTHING BUT THE TRUTH: VOLUME I: THE BEGINNING

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.This book discusses the fundamental ideas derived from the Book of Genesis, the beginning of everything. This sets the stage for further understanding God's Word by having the words translated from English back to the original Hebrew. Many words are explained with a definition or description giving you a sense of how they applied to the text. It gives information about Hebrew customs of the day showing their relevance to what is written in the Bible. Just as we have several meanings for one word, so do they. Documentation is given for these words with the written verses listed so the reader can apply the new translation to the verse. There are reasons explained why we should trust and believe in the Bible. There is a brief history of how the Bible evolved into the different into the many different translations. Genesis is broken down and translated properly as to what the original words mean. By obtaining an understanding of the beginning, one can begin to gain the knowledge they need to interpret the rest of the Bible. I give my personal witness to an event that changed my life and sent me on a mission to search out and spread the truth in the Bible. There is a message of hope and meaning for our lives for those who choose to believe in God. This message is a much needed thing in today's volatile world. God has a plan for us. The aim is to assist the reader to understanding and unveiling the message. It's not my job to do anything but open the reader's mind to the truth with the hope that...
