Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Each passing day Aretha experiences a new level of stress from the evil sensations in her body. Her skin begins to itch and burn and she can feel it tightening. Worms keep wriggling over her scalp; but each time she runs to the mirror everything looks normal. But she knows nothing is normal. She is terrified. What is happening to her? She has long gotten over fear of the dead, but this is another realization of evil. How can you fight something you can t see! She screams. Aretha has to find help, but who, where? Aretha has faced down evil in her life before, but never anything as vicious as this attack. She tries desperately to cling to her faith in God, to the love of her daughters, but will this be enough to save her? She feels the power of the evil spirits slowly growing, the noose tightening around her neck, and she still doesn t know who is attacking her or why. Is this how her life will end? Or will faith and love be enough to defeat the darkness and bring Aretha back into the light? From the author of A Place for Ida and A Time for Jonathan, comes this compelling thriller about a woman s struggle for her very soul. Patricia Richardson is noted for her intricate portraits of psychological distress, but in Where Is God When Satan Is Knocking On My Door? she raises the stakes even higher and puts the reader inside the mind and heart of a woman who is fighting for her life, her sanity, and her soul, against demonic forces.
