## FOOTSTEPS: A GUIDED TOUR OF THE TEXAS A M UNIVERSITY CAMPUS (HARDBACK)

Texas A M University Press, United States, 2006. Hardback. Book Condition: New. 168 x 114 mm. Language: English . Brand New Book. Thousands of Aggies have walked the campus of Texas AM since the late 1800s, when it was just a few buildings on a brier-tangled field. Since those days, the campus has grown, new buildings have risen to supersede or stand beside the old, new disciplines have been added to agriculture and mechanics, and AM has become a university of international stature. Despite expansion, the campus still invites exploration of its buildings and byways, its oak-shaded walks and echoing halls, its history. With this readable, easy-to-carry guidebook, anyone can follow in the footsteps of those past generations of Aggies and take one tour or all five tours of the various sections of campus. If a trip to the College Station campus is not on your calendar, you can still follow the tour at home. There is a route map for each of the tours, and every building or building complex is a stop on the tour, with information and anecdotes provided by your guide. For old Ags, Footsteps will amount to a pleasant homecoming and the opportunity to see not only familiar sights but also their alma mater s impressive growth and progress. Numerous photographs of the buildings are included, and images of AM at its most colorful are represented in an eight-page color section. The photographic coverage, as well as little-known facts and the origins of unique Aggie traditions, will orient newcomers to campus and help to infuse a new generation with the renowned Aggie spirit.
