Sacred Continuum: Our Life Between Prayers

By Stephanie Sorensen

DeVorss Co ,U.S., United States, 2001. Paperback. Book Condition: New. 216 x 142 mm. Language: English . Brand New Book. Is it possible to practice prayer-like thought in the space between our official prayers? Can we learn to transcend the world of appearances (which may be denying our prayer, or at least discouraging it) with a ceaseless acknowledgment of Spirit as the only true Source, Substance, and Power? The Presence is still present, whether we are acknowledging It in prayer or ignoring It as we think and speak in our everyday lives. Universal Creative Energy doesn't turn off or go somewhere else until we are ready to use It in our prayers and Treatments. It is everywhere all of the time, and It is always active whether we're ready or not. As we learn to think and speak ALL OF THE TIME knowing our relationship to that Presence in which we live and move and have our being, we realize that every thought and word can be a prayer because we live every moment in the creative Sacred Continuum of Spirit.
