iUniverse. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.1in. x 5.0in. x 0.7in.Master Sergeant Dick Mollison had fought his way across the European theater of WWII. Now, as that conflict drew to a close, he was faced with a new assignment in a different world. An island in the South Pacific. He would be the senior man of a two-man unit that would broadcast navigational signals for a group of super-bombers. The same planes that would drop the first atomic bombs. Mollison was seriously wounded and found himself in a military hospital talking to an also wounded Warren. Mollison received a battlefield commission, as did Warren. Mollison was glad to leave Korea and war behind. While in the hospital he learned that a typhoon had cleared his island home of all life. He couldnt believe his young wife was gone forever. Mollison returned to the States and in Boston he met the island girl who had always loved him. She left the island for a nursing career in the...
