

LA MALDICIÓN DE LA VACA

By Germiniano González

Editorial Club Universitario, 2004. soft. Book Condition: New. Un cuento basado en un hecho real, la enfermedad de las vacas locas (Encefalopatía espongiforme bovina) y el contagio a los humanos. Una historia protagonizada por una vaca, su cría y un roedor. Un cuento que puede leerse a partir de los 10 años. Por su contenido ecológico y el amor a los animales las personas mayores encontrarán en su lectura sentimientos y emociones agradables. Es la historia de una vaca que un día contemplando una escena desagradable en la granja, de su garganta salió un bramido escalofriante diciendo "prión", voz que el viento llevó hasta los confines de la tierra. Escapándose del corral, junto a su hija y el roedor recorrerán una extensa región, escondiéndose de día, para ver como viven los animales que el hombre cuida para su alimentación y recreo. La naturaleza o tierra explotada hablará por medio de la protagonista anunciando futuras desdichas a una humanidad que basa la felicidad en el dinero. ¿Tendrán castigo los inventores de los piensos cárnicos? ¿Como te gustaría que fuese el final de los animales protagonistas? La maldición de la vaca tiene una propuesta ética. Espero te guste esta historia-cuento.
