It presents the human resources function within the context of public school districts; covers the eight essential dimensions of the human resources function: human resources planning, recruitment, selection, placement and induction, staff development, performance evaluation, compensation, and collective negotiations; and looks at the legal, ethical, and policy aspects of human resources administration. Now available as an affordable e-book, Ronald Rebores s Human Resources Administration in Education weaves the language of technology throughout; includes more stories and personal examples; poses reflective questions on the focus scenarios; includes a...

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
