Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Don Blossom, a certified pediatrician for more than four decades, relives a personal journey from childhood through a long career in medicine. Occasionally, over the course of his career, he came to think of himself as a curandero, a folk healer who serves Native Americans and Hispanic America. Before he found his calling, however, Blossom had to survive his youthful exuberance including a tour overseas as a US Army Special Forces paratrooper. After several months, he yearned to catch a glimpse of an American girl. He got his chance when he was honorably discharged and met Ellie, a beguiling lass from New Orleans. In love, he faced a future in medical school and other obstacles before realizing his dream of becoming a doctor. Blossom succeeded, becoming a doctor in private practice in a small New Mexico community, just as the field of medicine experienced some serious changes. He recalls his many adventures in medical diagnosis, the demands of a professional career in pediatrics, and the evolution of his private and family life. In his manuscript Blossom targets physicians nurses, healthcare administrators medical educators, parents teachers, as well as the evolution of healthcare in America. Explore the daily life and responsibilities of a pediatrician working in a small town and join Blossom as he reminisces about his experiences in Alaska, Russia, New Zealand and beyond in **Curandero: A Physician s Life Journey**.
