## THE FASHION SOURCEBOOKS: THE 1980S

Thames & Hudson Ltd. Paperback. Book Condition: new. BRAND NEW, The Fashion Sourcebooks: the 1980s, John Peacock, Fashion Sourcebooks is a series of beautifully illustrated paperbacks presenting the renowned costume drawings of John Peacock. Fashion in the 1980s tended towards the functional and the formal. The typical 'power dressed' woman of the period wore her shoulders wide, her skirts short and her heels high. The sometimes colourful and relaxed men's fashions of the 1970s gave way to more conventional dressing. The year-by-year format allows these developments to be shown in fascinating detail. Day Wear, Evening Wear, Sports and Leisure Wear, Accessories, Underwear and Wedding Wear are included, and complete descriptions of each garment accompany the drawings, itemizing colour, cut, necklines, lapels, sleeves, pockets, fastenings, buttons, belts, etc. The reference section includes a chart summarizing at a glance the evolution of fashion and garment-shapes, as well as biographies of outstanding 1980s designers and a bibliography. John Peacock's Fashion Sourcebooks are destined to become part of the library of any fashion enthusiast, historian or collector, and are sure to provide inspiration to any designer or student working in the performing arts.
