Reviews

The publication is easy in read better to understand. It is writer in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Not illustrated. 1908 Excerpt: .of nurses parallels that of the householder in the Gospel; and it could justly rebuke those, who in a narrow commercial spirit, would refuse State recognition of others opportunities with the self-same words: Friend, I do thee no wrong. Take that thine is and go thy way: I will give unto this last, even as unto thee. The State by this act of justice does not belittle hospital training; in reality it has given the greatest impetus towards perfecting it. Yet it is hard to convince a hospital graduate that she and her training are not defrauded in some way when an experienced nurse is licensed. She is positive of its rank injustice, for has she not borne the burden and heat of the day as represented by her three years hospital service, while this other woman has been out earning \$21 or \$25 per week? Would she could be brought to realize it is not wholly a question of dollars and cents! For in the end, she receives full value for those same hard years--by carrying her load more easily than the other; by being saved much worry and perplexity through her larger knowledge; by her wider scope for blessed usefulness, and through the more perfect service she is able to render! As regards general education, there is, as you are aware, a strong leaning towards a high school diploma, as evidenced in the Maryland, West Virginia and original Indiana laws. Without entering into the...
