HANDBOOK OF INFORMATION FOR INDIAN STUDENTS: RELATING TO UNIVERSITY PROFESSIONAL STUDIES, ETC;, IN THE UNITED KINGDOM; ISSUED BY THE COMMITTEE OF THE NATIONAL INDIAN ASSOCIATION IN CONJUNCTION WITH THE ADVISORY COMMITTEE, INDIA OFFICE

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Handbook of Information for Indian Students: Relating to University Professional Studies, Etc;, In the United Kingdom; Issued by the Committee of the National Indian Association in Conjunction With the Advisory Committee, India Office Committees have been constituted in each Presidency and Province of India (excepting Burma and the North-West Frontier Province) with the object of (1) furnishing information and advice to Indian students who contemplate going to England, (2) circulating in India to Colleges and other Institutions the educational, financial and social information collected by the Central Bureau of Information established in London by the Secretary of State for India, and (3) communicating with the Central Bureau on behalf of students before they start. Students and their parents are therefore advised to take advantage of the facilities thus offered and to communicate with the Secretary of the Provincial Committee before finally settling upon a course of study in England. Much time is often lost in England if students have not decided on the profession they are to follow, before leaving India. Students are advised to bring with them letters of introduction, as there are many occasions when such letters will be found useful; and students who intend to join one of the Inns of Court, especially, should bring letters of recommendation to Barristers of five years standing in London. In every case testimonials of good character should be procured from principals or professors of colleges or other educational authorities.
