Reviews

It is just one of my personal favorite books. I was able to comprehend every little thing out of this published publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Isaac Olson)

APPROACHES TO TEACHING APHRA BEHN'S OROONOKO

Modern Language Association of America. Paperback. Book Condition: new. BRAND NEW, Approaches to Teaching Aphra Behn's Oroonoko, Cynthia Richards, Mary Ann O'Donnell, Once merely a footnote in Restoration and eighteenth century studies and rarely taught, Oroonoko; or, The Royal Slave (1688), by Aphra Behn, is now essential reading for scholars and a classroom favourite. It appears in general surveys and in courses on early modern British writers, postcolonial literature, American literature, women's literature, drama, the slave narrative, and autobiography. Part 1 of this volume, "Materials," provides not only resources for the teacher of Oroonoko but also a brief chronology of Behn's life and work. In part 2, "Approaches," essays offer a diversity of perspectives appropriate to a text that challenges student assumptions and contains not one story but many: Oroonoko as a romance, as a travel account, as a heroic tragedy, as a window to seventeenth-century representations of race, as a reflection of Tory-Whig conflict in the time of Charles II.
