Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.

Not illustrated. 1842 Excerpt: . is heard; And whatsoever task s assign d, Perform it with a willing mind. You that in writing would excel, First imitate your copies well: Down strokes make strong, and unjnyard fine, And boldness with your freedom join. If by luxuriant fancy bent, You aim at curious ornament, Your plastic pen, by frequent use, May fishes, beasts, and birds produce: But chiefly strive to gain a hand For business, with a just command. When figures exercise your quill, They ask your care and all your skill; Your fancy may in writing guide, But reason here must be applied. As you the learned track pursue, Fresh useful scenes will crowd your view; The mathematics spacious field Will grand and noble prospects yield; Whether by maps o'er seas you rove, Or trace the starry globes above, What rapturous pleasures will you find, When demonstration feasts the mind! Abominate a lying tongue, And never do your fellow wrong; From oaths and idle talk refrain, And old wives fables, for they're vain. But if sometimes you be inclin'd To give refreshment to the mind, Historians and poetic lays, At once will both instruct and please. But wanton song and wild romance, Be ever banish'd far from hence. Soon as your judgment waxes strong, And can distinguish right and wrong, Think it no task to read in youth The Testament of sacred truth; With diligence peruse them through, In every language that you know; By day...
