

Scotland's Living Coastline

By Scottish Natural Heritage

TSO. Hardback. Book Condition: new. BRAND NEW, Scotland's Living Coastline, Scottish Natural Heritage, Based on a conference organized by the Maritime Group of Advisory Services of Scottish Natural Heritage, this volume starts by setting the Scottish coast in a wider European context and reviews some of the most significant coastal processes which continue to shape its character. It explores a wide range of management initiatives and concludes with contributions which explore the safeguarding of biodiversity, including reviews of some major data inventories and a discussion of the implementation of biodiversity plans.

Reviews

Unquestionably, this is the best work by any author. Better then never, though i am quite late in start reading this one. I realized this publication from my dad and i advised this pdf to find out.
