Reviews

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Wherever I wander, wherever I rove, The hills of the Highlands for ever I love. Jean, have ye taken the bit lassie up her cup o milk? Deed no, mem, it hae just sleepit my memory, but I ll e en go wi it at once. I doubt if the bairn s wakin though, she was ower tired the nicht. The voices roused me and I sprang up from bed and went over to the window. It looked out on a small yard, and there stood Jean the old Scotch servant whose voice I had heard. She was talking to Grannie, who was in the kitchen. I threw open the window and let the sweet June air into the quaint little room which I had only seen as yet by candlelight. The noise of the opening window attracted Jean s attention. She looked up and saw me. A look of alarm crossed her face - wrinkled and brown as a crab-apple. Are ye daft, lassie, to be standing there wi no covering save yon bit linen stuff? Back to bed wi ye this minnit. We ve no wish to hae ye sick on our hands, and a nice character ye brought too. Aye, but the mistress is gangin to ye the noo, and siccan a scolding as she can give! But I m just thinking ye ll be the better o it.
