## Food, Sex, Salmonella

By David Waltner-Toews

NC Press. Paperback. Book Condition: New. Paperback. 178 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. What sex is to interpersonal relationships, eating is to the Human-Environment relationship, a daily consummation of our de facto marriage to the living biosphere. This book is about the true meaning of eating, intimacy, love, vomiting and diarrhea: You and your food partner. It is about the celebration of ecology through eating and about how food poisoning can save the world. This book should be kept next to your toilet, and also next to your refrigerator. The next time you suffer from a bout of food poisoning, doubled over in abdominal pain, feeling like there rages a true revolution within, I want you to understand what is happening to you, why the inner child is having a gaseous tantrum in your guts. I want you to hear Gaia's, the earth organisms, whispered love-message to you. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

### Reviews

*It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Modesto Mante**

*I just started out looking over this ebook. it was writtern extremely perfectly and useful. You are going to like the way the blogger publish this book.*
