Prometheus Books, United States, 1996. Paperback. Book Condition: New. 3rd Revised edition. 211 x 135 mm. Language: English . Brand New Book. Unlike any other collection of Goldman s work, Red Emma Speaks presents in a single, handy volume the full sweep of her opinions and personality. In addition to nine essays from Goldman s own 1910 collection, Anarchism and Other Essays; three dramatic sections from her 1931 autobiography, Living My Life; and the afterword to her My Disillusionment in Russia (which the collapse of the Soviet Union later revealed as prescient); this book contains sixteen more pieces covering a great range of subjects, assembled here for the first time to offer a rich composite or Goldman s life and thought. Red Emma speaks on: anarchism, sex, prostitution, marriage, jealousy, prisons, religion, schools, violence, war, communism, and much more. This new third edition, containing a new foreword by Alix Kates Shulman and more accessible source listings, has been revised to situate the works more precisely in light of burgeoning Goldman scholarship.
