*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

New Leaf Publishing Group/Master Books. Paperback. Book Condition: New. Paperback. 256 pages. Dimensions: 8.4in. x 5.5in. x 0.9in. A single man stands behind one of the greatest deceptions in history. . . Charles Darwin's ideas still penetrate every aspect of our culture, including science, religion, and education. And while much has been made of his contribution to the evolutionary hypothesis, little has been publicized about the dark side of the man himself and how this may have impacted the quality and legitimacy of his research. This daring and compelling book takes its readers behind the popular facade of a man revered worldwide as a scientific pioneer, and unveils what kind of person Darwin really was. The book reveals disturbing facts that will help you: Perceive Darwin firsthand through the eyes of family and friends, and his own correspondence Discern this darkly troubled man, struggling with physical and mental health issues Uncover his views on eugenics and racism, and his belief that women were less evolved than men Thoroughly documented, this book reveals Darwin's less-than-above board methods of attempting to prove his so-called scientific beliefs, and his plot to murder God by challenging the then-dominant biblical worldview. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
