Pen & Sword Books Ltd. Paperback. Book Condition: new. BRAND NEW, Your Irish Ancestors: A Guide for the Family Historian, Ian Maxwell, Your Irish Ancestors provides an entertaining insight into everyday life in Ireland during the past four centuries. Aimed primarily at the family and social historian, Ian Maxwell's highly readable guide introduces researchers to the wealth of material available in archives throughout Ireland. Many records, like the early twentieth century census returns and school registers will be familiar to researchers, but others have been traditionally overlooked by all but the most experienced genealogists. Each chapter takes the form of a detailed social history showing how the lives of our ancestors changed over the centuries and how this is reflected in the records that have survived, and it is in this broad historical approach that Ian Maxwell's work stands out from other guides to Irish genealogy. Your Irish Ancestors is more than just a technical 'how-to-do it' book, for it will help family historians put their ancestral research in historical perspective, giving them a better understanding of the world in which their ancestors lived.
