BRIEF DESCRIPTION: This is a highly detailed guide with several step-by-step instructions for how to format and publish your book both as a paperback book with Amazon (and other major online booksellers) and as an eBook with Kindle (and a variety of other eReaders). The book is both highly informative (like describing how to set the margins with bleed, including the gutter, and listing the pixel sizes of different brands of eReaders), yet also focused on useful formatting and publishing skills. With this reference as a guide, you can self-publish a quality manuscript with ease. The paperback edition includes a comprehensive, 18-page index to help you quickly find information. AUTHOR: Chris McMullen has written and self-published over a dozen paperback books and eBooks. This book also was self-published using the same techniques that are described here. Chris McMullen shares numerous useful formatting tips in clear language with precise, detailed instructions. NOTES: The formatting instructions of Volume 1 are geared specifically...
