

Blood, Sweat Gears. the Story of the Gray Ghost and the Junkyard Firebird

Filesize: 5.59 MB

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

BLOOD, SWEAT GEARS. THE STORY OF THE GRAY GHOST AND THE JUNKYARD FIREBIRD

DOWNLOAD

David G. Barnes an Imprint of Telemachus Press, United States, 2014. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1971, could a little group of unknown automotive engineers independently design and build a race car from an old 1964 Pontiac sedan and really compete against professional, factory-backed racing teams? Blood, Sweat Gears is based on the true story of a small group of GM Pontiac Division engineers who did just that - they independently created a race car in 1970 from an old 1964 Pontiac Le Mans with 80,000 miles on its odometer. Without factory support and on a shoestring budget, they seriously competed in the 1971 televised Trans-Am road racing circuit against professional, well-financed, factory-backed racing teams and won the hearts of fans and the press, who dubbed their car the Gray Ghost. The following year they did it again, starting with a wrecked Firebird from a junkyard, and shocked the racing world at the Mid-Ohio Sports Car Course. Blood, Sweat Gears is an inspiring, fact-based underdog story of hard work, ingenuity and competitive American grit that has never before been fully told.
