Diversitylearningk12 LLC, United States, 2014. Paperback. Book Condition: New. 239 x 185 mm. Language: English Brand New Book ***** Print on Demand *****.Language proficiency is multidimensional. While conversational skills are essential for social interaction, they are insufficient for most academic purposes. To be successful, teachers and students must acquire a firm and accurate command of subject-area vocabulary. Even though a growing number of Americans speak Spanish at home, the United States has a severe shortage of professionals with fully developed academic skills in Spanish. This poses a special challenge for bilingual classrooms. Educators must be able to identify la palabra justa - the right word - in preparing or presenting a lesson, especially when providing content instruction and second-language input at the same time. Recognizing an acute need, the editors of this volume brought together an international team of language teachers, teacher educators, and other bilingual professionals to create an English-Spanish / Espanol-Ingles glossary. La Palabra Justa features more than 24,000 entries covering the academic vocabulary needed in K-12 education. Unlike a dictionary, the glossary offers a quick, user-friendly way to find translations of key terms in context. Sections include: Language Arts (Grammar Composition, Literature, and Languages); Mathematics (Arithmetic Algebra, Geometry, Probability Data Analysis, Numbers Measures); Science (Earth Sciences, Life Sciences, Physical Sciences, and Inquiry Process); Social Studies (Civics Government, Economics Finance, Geography, and History); Fine Arts (Performing Arts and Visual Arts); Technology; and School Life (Holidays Celebrations, School Routines Activities, Field Trips Transportation, School Library, Playground Sports, Student Health, Special Needs, Conduct Discipline).
