

Taking the Quantum Leap to Happiness

By Dennis Zinner D. C. M. S.

Robert Reed Publishers. Paperback. Book Condition: New. Paperback. 140 pages. Dimensions: 8.8in. x 5.9in. x 0.6in. Most of humanity is ruled and confined by seemingly never-ending circles. Like rats in a maze, we search endlessly for liberation from proscribed standards of behavior and the experiences forced on us by others. We play the game without knowing we are playing it. In this book, Dr. Zinner demonstrates that freedom from circular behavior is possible, and that we can break the chains that bind us if we embrace a vision of spiritual freedom. This book offers a systematic method based on Dr. Zinner's construct known as rings, which can enable serious seekers to understand and work with the apparent chaos of the human condition. The swirling chaotic energies are what merge into a point called now, but within chaos is a still, tranquil place where we can see our choices, take creative action and uncover hidden truths. Seekers who are not afraid to look into a mirror at the place just behind their eyes will find answers in this definitive prescription for altering perception. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Unquestionably, this is actually the very best job by any article writer. I have read and that i am certain that i am going to planning to go through once again once more in the foreseeable future. I realized this publication from my i and dad advised this pdf to find out.

-- Rusty Hamill Sr.

I just started out reading this ebook. We have read and so i am certain that i am going to gonna study yet again again in the future. I found out this book from my dad and i encouraged this publication to find out.
