Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Cusack s Three Hundred Years Growth of the British Empire, 1558-1858 This little book has been compiled to assist Pupil Teachers in the study of the Special Period prescribed in History for the Queen s Scholarship Examination, December, 1900. The text is mainly based upon the following authorities: Reclus Universal Geography ; The Historical articles in Fullarton s Gazetteer ; the Official Publications of the Colonial and Indian Exhibition held in London in 1886; Haydn s Dictionary of Dates ; Dr. Bright s History of England ; and Mr. Justin McCarthy s History of Our Own Times. It will be noticed that the book has been planned so that the chapters cover well-marked Historical periods, and yet the story of a particular important country may be followed throughout the book. Thus the rise of the British power in India is treated in Chapters VIII., XII. and XV.; the story of Canada is traced in Chapters IV., VI., VII. and XIII., and so forth. The student is advised to make frequent use of the Chronological Table and of the Index, as references to the smaller colonies and possessions occur at different periods. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
