We cant get enough of it, in books, in movies and on television. We are on a train that no one knows for sure where its leading us. Will technology be used to help us gain better control over our lives or will our lives become controlled by technology instead. What if the answer was both The former wouldnt be cause for alarm but, the latter would be. Just how is technology going to control our lives and will it hurt Tell No Lies But Keep Secrets takes the reader on a journey thats filled on the future of mankind and where technology should fit into the schema of mans existence. Tell No Lies But Keep Secrets is an action thriller with action scenes and fight scenes in the action thriller spy genre. What I like most about this story is, besides writing it, is the technology. Much of the technology in Tell No Lies But keep Secrets is fringe science but, some of it actually does exist with only bits of the full scope of the technology having been released to the public such as mind reading technologies. The future tech that was created for this story does not exist today but, there is a great possibility that it some day could. Tell No Lies But Keep will have the reader think about technology and its place amongst us. The reader is also taken on a journey that will...
