A YOUTH WORKER'S COMMENTARY ON JAMES

Zondervan. Paperback. Book Condition: new. BRAND NEW, A Youth Worker's Commentary on James, David P. Nystrom, Les Christie, One reason for writing these books is that most curriculums that are now available for youth leaders and their students are just skimming the books of the Bible (example: 4-12 lessons on the Gospel of John that do not go beyond the surface of the text). We are talking about writing books that would have the entire Biblical text printed in each book. Books that actually go deeper into the meaning of the text. We are thinking of dozens of word and character studies, with many fascinating historical and personal stories, followed by in depth thought provoking questions. This series of books will include insights and observations not usually covered in typical commentaries.
