Excerpt: .the cake can never wait for the oven. Cake will sometimes be heavy if the sugar and butter are not sufficiently well creamed; they should be partially liquified. Cakes without butter require a quick oven; never move the cake or shake the oven before the center is set, and do not remove it from oven unless surely done; run a broom splint through the center; if no dough adheres it is done, or put your ear to the cake; if it ticks loudly put it back; if very faint, it is done; turn out very gently on a cloth or sieve to cool Do not open oven door, at Least until fifteen minutes have elapsed after putting the cake in. Creaming the butter makes the cake more delicate than melting it. Always cream the butter and sugar together first, add the beaten yolks, then...
