There are many different threats that we as a nation and as a people need to be concerned about - from terrorism to economic despair to natural disasters, we must be actively prepared for almost anything. But none of these more obvious threats are as pervasive and ultimately detrimental as the void which has developed between strong, mature men and the next generation of younger men. Within any community, and the black community in particular, it is this threat of absent fathers, complacent leaders and general passivity which will eventually lead to a world without morality and conviction. This book is a passionate charge to black men to protect their families. Editorial Reviews From the Back Cover A GENERATION IS UNDER ATTACK. WHO WILL PROTECT YOUR FAMILY? The war is at home and the battlefield is in the lives of our young men. It's up to us to win this battle and prepare the next generation to join the fight. Can I Call You Soldier? provides a strategy for victory through: Teaching men to respect women Empowering men to protect their children Providing counsel for interracial ministering You can make a difference. Are you willing to use your power and influence to rescue the next generation? About the Author DR. HAROLD DAVIS (D.
