LIKE A THIEF IN THE NIGHT

AuthorHouse. Paperback. Book Condition: New. Paperback. 312 pages. Dimensions: 9.0in. x 6.0in. x 0.8in.FOREWORD Enzo asked me to read his manuscript, to validate some of the military references he uses within his story, and after reading and rereading his manuscript, I feel that he has written a novel worthy of note. His use of Biblical end time Scriptures and events, and his ability to portray those events in realistic, everyday scenarios is just amazing. The reader can almost feel himself transported within each scene, as the story switches from suburban Brisbane, Australia, to the UN building in downtown New York, to the Holy Land. He has been able to weave together the lifestyles from his own background in Australia, Israel, Europe, Asia, and America in such a way as to make for a compelling story. This book that he has written will cause its readers to turn page after page in an effort to find out what comes next. I wish to thank Enzo for allowing me to be the first to read his work and to comment on what I believe will be a best seller.
