Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: This little book tackles the big questions about worship music. In considering the theology of biblical and Reformed worship and the purpose of music in worship, Pastor Janssen develops objective guidelines which lead to an evaluation tool for selecting the best music for worship. This book helpfully moves beyond personal preference, leading to greater light than heat in the continuing discussion of worship practice. Written from a pastoral perspective, this book is theological, readable, and practical.
