7 GREAT LAWS TO CARRY AROUND: TAKE THEM ANYWHERE, THEY WILL TAKE YOU EVERYWHERE

Waleed Naqi, United States, 2015. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book ***** Print on Demand *****. Life is a vehicle and as riders of our own vehicles, we must know the rules of the road (The Laws). Even though it is the most important tool, many ignore and misuse the power of mind. We misread the signs of our lives and work against the flow of life, which leads us to unlikely events. If we track those events down, we will find that our own ignorance of how this Universe works is the main reason. We are each responsible for our lives. As we learn the Laws of the Infinite Power and repeat them, we will fill our minds with positive thoughts that are the key to change. This book provides 7 of the Great Laws, presented like never before, in a way that will ensure the proper implementation of them for a happier, healthier, more prosperous life. It will be easy to read it over and over again with the guiding program in the book. With 7 Great Laws to Carry Around, Waleed Naqi delivers a first-of-its-kind book that will transform your life. It reads like an authentic, heartfelt quick reference guide to realizing your dreams using the Universal Laws that surround us at every moment. It s an easy-to-read, life- changing book that you ll always want at your fingertips. -Peggy McColl, New York Times Bestselling Author.
